Zane Trace Nordic Adventure 2.0 2012 Winter Klondike

You and your troop/ crew are cordially invited to attend the 2012 Zane Trace District Nordic Adventure at MVSR that will be held over the weekend of February 10-12.

This year's Klondike returns to Scandinavia, home of the Norse Vikings. Join us as we move MVSR to Northern Europe. The Klondike Derby is truly a High Adventure event in the form of a winter skill competition among Scout Patrols. The Klondike derby is a race by sled between certain Scandinavian Countries. At each of five locations, the Patrol will be given a real problem to solve involving winter camping skills. Points will be awarded in proportion to the degree of skill demonstrated, the firmness of the patrol Leader's leadership, and the smoothness of the teamwork among the patrol members.

Good Scout spirit around the course will get additional points. The superior Patrols will be those with the most effective boy leadership and the best cooperation and skill in solving winter camping problems such as First Aid, Cooking, Map & Compass, Ice Rescue, Fire-building and Emergency Shelter. The whole event furnishes a competition among Patrols operating on their own under their Patrol Leader's leadership. Registration forms and Patrol Leader packets will be available at the November Roundtable. If you have questions or would like to volunteer to help with planning or be a "Viking Chieftain" and run one of the stations feel free to contact me by phone or email.

Each month, volunteers come together to have fun, fellowship, and learn a thing or two about Scouting...this is called Roundtable!

The following three Roundtable topics are:

November: On-Line Advancement, Webelos to scout transition and Board of Review.

December: Recharter (on-line), Blue and Gold, and Cold Weather Camping,

January: Fundraising and finances and Pinewood derby advice, and Youth Protection.
